

# ESPRESSO-X DOUBLE SHOT

Giving your game a double shot with the Espresso-X delivering both power and beauty. The Java Reactive coverstock encases the Espresso core to provide the perfect ball for medium conditions. The Espresso offers an RG of 2.47 and differential of 0.052, for 5-5 ½ inches of flare. A 1000 Abralon finish complements the pearl cover for a smooth arc to the pocket.
